

As human-sized banking group whose origins date back to 1845, Gonet offers global wealth management services to demanding Swiss and international private clients. The Bank specializes in investment and pension planning advice and offers personalized support in wealth management. Located in Geneva (headquarters), Lausanne and Nassau with more than 130 employees, Gonet is a member of the Swiss Bankers Association (ASB) and the Association of Swiss Private Banks (ABPS).

In order to develop our activities and strengthen our private banking teams in Geneva, we are looking for one or more:

SENIOR WEALTH MANAGER (S)

Alone or with your team, join us!

Your profile and your mission

- Experienced wealth manager with 10 years of minimum experience.
- Acquisition, development and loyalty of customers in compliance with the regulations in force.
- Knowledge and mastery of financial markets, products, regulations and cross-border.
- Ability to acquire and develop customers in line with the Bank's strategy.
- University degree in finance or banking training deemed equivalent.
- Ability to work independently and flexibly.
- Entrepreneurial spirit.

Our offer and our strengths

- A work environment on a human and family scale where independence, entrepreneurship and personalization of the relationship take precedence.
- Attractive employment conditions and pension benefits.
- An original compensation system.
- Significant autonomy and flexibility in your daily management.
- A close link with the General Management of the Bank.

If you are interested, send an email or your file to careers@gonet.ch.

Your data will be taken care of confidentiality. Files that do not strictly correspond to the requested profile or come from agencies will not be taken into account.
